Education

LLB, 2014, University of Montréal

BA (International Studies), 2012, University of Montréal

Bar Admission

Québec, 2015

Practice

Eve-Lyne’s practice focuses on civil and commercial litigation and dispute resolution law. Eve-Lyne has been involved in a wide range of actions in various areas including product liability, insurances, mass tort and negligence.

Representative Work

- Scientific Games in defense of a motion for an interlocutory and permanent injunction, and damages before the Superior Court of Québec relating to allegations of a breach of distributorship agreements, and cross claims relating to the unauthorized distribution of products protected by trademark
- a Canadian telecommunications provider in a proposed consumer class action in Québec alleging violations to consumer protection legislation through false representation of monthly service and early termination fees
- a Canadian insurance company in a proposed consumer class action in Québec alleging violations to consumer protection legislation in connection with NSF fees
- Canada Post in a class action in Québec alleging contravention of provincial statutes in the prescription drug coverage provided to its Québec employees and retirees
- all underwriters from the various underwriting syndicates that underwrote debt and equity offerings issued by Valeant Pharmaceuticals, Inc., in a national securities class action alleging disclosure violations by Valeant concerning its relationship with Specialty Pharmacies Inc., amongst other issues

Professional Involvement

Before joining Torys, Eve-Lyne worked in a Montréal firm specialized in health law issues.

Community

While attending law school, Eve-Lyne volunteered as a legal researcher for an organization providing legal support for disabled persons. She also has been involved in the Legal Information Clinic at University of Montréal offering free legal information to the community.
